Making It Personal

God did many things in the Old Testament era that set the stage for the person and work of the Messiah (Jesus) in the New Testament. God showed his people important roles of the Messiah in various kinds of leaders. Jesus embodies God's intent for all of these leadership "offices" in one person.

1. There were many great prophets in the life of Israel in the Old Testament. In what ways were these each a "type" of Christ?
2. What was the *primary* role of the Old Testament prophet?
3. Prophets often warned people on God's behalf of things yet to come. Can you think of ways Jesus told his followers of the future?
4. What was your biggest discovery from today's message?
5. How will you apply what you've learned this week?
